Tokyo Disneyland and Tokyo DisneySea Parks Change in Park Ticket Prices

URAYASU, CHIBA— **Tokyo Disneyland® Park** and **Tokyo DisneySea® Park** announced today that ticket prices for both Parks will be revised effective April 1, 2016.

The last time Park ticket prices were revised was in April 2015. Since then, the two Parks have opened additional facilities and introduced innovative entertainment to expand offerings for guests. These include new attractions in Tokyo Disneyland such as **Stitch Encounter** (opened July 2015) and **Star Tours: The Adventures Continue – Special Version** (opened February 2016), a renewed nighttime parade called **"Tokyo Disneyland Electrical Parade *Dreamlights*"** (July 2015), and a new musical show in Tokyo DisneySea called **"King Triton's Concert"** (April 2015). In addition, measures have been taken to further enhance the Guest experience at the Parks in terms of facilities, services and more comfortable environments.

Furthermore, in 2016, Tokyo DisneySea will reopen the live performance show, **"Big Band Beat"** (April 15), and also open a new musical show, **"Out of Shadowland"** (July 9). Tokyo Disneyland will open a new facility for Disney character greetings and new restaurant later this year.

Oriental Land Co. will continue to make capital investments to upgrade facilities and enhance services to provide even higher quality theme park experiences that can only be found at **Tokyo Disney Resort®**.
