Japan Display Statement on Today's Media Reports

TOKYO, Japan, July 27, 2017 – Japan Display Inc. (JDI) today responded to today's media reports regarding our structural reform plan and funding, etc. The reports are not based on any statement made by JDI.

As stated in the company's presentation slides "Financial Results, Fourth Quarter & Full Year 2016", JDI is considering new policies that include business and corporate structural reforms to keep pace with the changing market

JDI will promptly make an announcement once it makes decisions on this matter.
