INNOTECH CORPORATION Revises Earnings Forecast and Incurs an Extraordinary Loss

The financial forecast made on May 10, 2013 for the full fiscal year ending March 31, 2014 is to be amended as below reflecting the latest financial results. Additionally, extraordinary loss is incurred.

1. Fiscal year ending March 31, 2014 (April 1, 2013 to March 31, 2014)

million yen, %

	Net sales	Operating income	Ordinary income	Net income	Net income per share
Previous forecast (A) announced on May 10, 2013	23,000	1,000	1,100	600	34.28
Revised Forecast(B)	23,000	1,100	1,200	450	25.71
Change(B-A)	-	100	100	△ 150	
Percentage Change(%)	-	10.0	9.1	△ 25.0	
[Reference]Last year results (March 31, 2012)	20,548	761	918	522	29.85

2. Reason for Revision

While sales of HDD and Embedded Software will be less than the previous forecast and 50 million yen of allowance for doubtful accounts of receivables against the supplier is incurred, operating income and ordinary income will be more than the previous forecast due to strong Tester sales. On the other hand, net income will be less than the previous forecast due to loss on valuation of investment securities.

3. Extraordinary Loss

As a result of reviewing the business plan and business conditions of the company which we invested on, 216 million yen of loss on valuation of investment securities is incurred.

Cautionary Statement

Such forward looking statements include number of preliminary assumptions about future events that are subject to factors and uncertainties that could cause actual results to differ materially from those described in the forward looking statements.
