(Code number: 6200, First Section of the Tokyo Stock Exchange)

Insource Won the Bid for the "Implementation of ICT Professional Training (Advanced)" for Tokyo Metropolitan Government Officials - We are strengthening DX training as a partner for digitization of public administrations

Insource Co., Ltd. (hereafter referred to the Company), which supports solving organizational issues by "education" and "IT" and Insource Digital Academy Corporation (hereafter referred to IDA), the Company's 100% owned subsidiary have won the bid for the "Implementation of ICT Professional Training (Advanced)" for Tokyo Metropolitan Government officials.

The Training for ICT Professionals (Basic) has been conducted from April 2021. With this successful bid, Insource Group is to provide the full ICT training for Tokyo Metropolitan Government officials, from basic to advanced.

IDA, as an important role in Insource Group, has provided training to support the digitization of public administrations, reaching 1,387 attendees in 76 organizations (Cumulative total from April 2020 to March 2021).

■Results of DX training conducted for public administrations in 2020
