Announcement on Distributing Video Program of FAQ on IR meetings

We shall hereby announce that we have posted the following video on our YouTube channel to provide an FAQ on the IR meetings held after we announced our financial results for the first half of the fiscal year 2022. The transcript and slides are provided in Japanese and English.

We place great importance on dialogue with investors and actively promote the creation of opportunities. In addition to the above, we believe that introducing our various actions during the IR activity period through the program shall contribute to investment decisions for investors worldwide during our silence period.
