Announcement of starting the operation
Solar Power Plant (Sabha project) at Mafraq area in Jordan

We hereby announces that, Our group company Enbio Lel Taqa FZC LLC（U.A.E）, will start the operation for Solar Power Plant (Sabha project) at Mafraq area in Jordan on January 15th, 2023.

The annual water resources per person is extremely small at 129 ㎥ in Jordan. Therefore, the development and the fair use of water resources are becoming one of the main issues.

We can contribute to solving the issues of water resources by supplying the water gained by the power generation of our solar power plant to the local area.

1. Overview of the Solar Power Plant

(1) Name of Solar Power Plant	Sabha Project
(2) Site Location	Sabha, Mafraq area, Jordan
(3) Name of Operating Company	Enbio Lel Taqa FZC LLC (U.A.E)
(4) Business Area	150,000 ㎡(Solar Power generation and Water resource business)
(5) Solar Power Plant Size	650kW(DC)
(6) Estimated annual power generation	1,105,000kWh

2. Future Outlook

We expect the impact of this implementation on the Company’s current fiscal year business performance to be limited.
