Dynamic Map Platform Co., Ltd.

Notice Regarding the Availability of ENVALITH Analyst Report on Dynamic Map Platform in Japanese, English and Chinese

Dynamic Map Platform Co., Ltd. (Head Office: Shibuya-ku, Tokyo; the "Company") hereby announces that English- and Chinese-language versions of the Company-sponsored research report prepared by ENVALITH Inc. ("ENVALITH") are now available, in addition to the Japanese-language version. The Company is introducing the report as a source of information to help investors in Japan and overseas gain a deeper understanding of its business, financial position, and medium- to long-term growth potential.

1. Background and Purpose of Publication

The Company is committed to enhancing communications with investors in Japan and overseas and to strengthening its investor information outreach.

The report was prepared from ENVALITH's independent perspective to help investors understand not only the Company's short-term performance, but also its medium- to long-term growth potential and intrinsic corporate value. Under the theme "Management's Perspective," the report presents multifaceted analysis and discussion, ranging from the management philosophy of the Company's representative to its historical background and future growth vision.

The report was independently prepared by ENVALITH. The Company does not guarantee its content, any investment decisions based on it, or future results. When making investment decisions, investors should also refer to the Company's statutory disclosure documents and timely disclosure materials.
