LaSalle LOGIPORT REIT ("**LLR**") announces that the tenant leasing the entire building of "LOGIPORT Kashiwa Shonan" (the "**Subject Property**") will vacate the Subject Property upon the expiration of the term of the fixed-term building lease agreement, as outlined below.

1. Overview of the tenant change (termination of the fixed-term building lease agreement)

(1) Name of tenant	: Undisclosed (Note 1)
(2) Leased area	: 40,773.83 m^2 (ratio of the tenant's leased area to total leasable area of the Subject Property 100%) (ratio of the tenant's leased area of the Subject Property to the total leasable area of LLR's portfolio 2.92%) (Note 2)
(3) Monthly rent	: Undisclosed (Note 1)
(4) Scheduled termination date	: April 30, 2027 (the expiration date of the fixed-term building lease agreement)

Notes:

2. The percentage of total leasable area of LLR as of the end of May 2026 (1,397,845.04 m^2) is rounded to the second decimal place.

2. Future outlook

As the scheduled termination date of the lease with the tenant falls within the fiscal period ending August 2027, there is no impact on the forecasts of operating results for the fiscal periods ending August 2026 and February 2027 announced by LLR on April 22, 2026.

In order to mitigate the impact on operating performance resulting from the tenant's departure, LLR will proceed with efforts to attract a successor tenant for the Subject Property prior to the lease expiration date or will consider the disposition of the Subject Property. With respect to the disposition of the Subject Property, LLR has received preliminary expressions of interest in acquisition from multiple prospective buyers and will proceed with detailed discussions. Should any matters requiring disclosure arise in the future, LLR will make an announcement in a timely manner.
