Announcement about Shareholder Benefit Program

URAYASU, CHIBA—Oriental Land Co., Ltd., has decided today to offer a special shareholder benefit program as follows.

1. Purpose

We were listed on the First Section of the Tokyo Stock Exchange in 1996 and will celebrate our 30th anniversary of the listing in December 2026. We would like to express our heartfelt gratitude for the tremendous support we have received from all stakeholders, including guests and shareholders. Therefore, to express our gratitude to all shareholders for their continued support, we will be offering a special shareholder benefit in the current fiscal year (ending March 2027), which marks our 30th anniversary of the listing. Following last year's special shareholder benefit commemorating our 65th anniversary of the foundation, this marks the second consecutive year we are offering a special benefits program. We ask our shareholders to continue to support the growth of Oriental Land and Tokyo Disney Resort®.

2. Details of the program

In addition to the current shareholder benefits, we will offer one complimentary passport ticket, which is valid until August 31, 2027, to Oriental Land shareholders holding at least 100 shares (one unit) as of September 30, 2026 (record date).

<Target Shareholders, Number of distribution, and Time of distribution under the Program>

Target shareholders	Number of shares	Number of distribution	Time of distribution
The shareholders holding shares of Oriental Land as of September 30, 2026 (record date)	At least 100 shares	A ticket, in addition to those distributed under the regular shareholder benefit program	December (Tentative)

*This special shareholder benefit is a one-off benefit offered in addition to the current regular benefits and benefits for long-term shareholders.

*The complimentary passport tickets distributed under the special shareholder benefit program are one-day passports that can be used at either Tokyo Disneyland® or Tokyo DisneySea®. These tickets cannot be used during the period of special operation hours (such as special operation hours during the year-end and New Year holidays).

*The complimentary passport tickets distributed under the special shareholder benefit program will be valid until August 31, 2027. The valid period is different from that of the passport tickets distributed under the regular shareholder benefit program.

3. Shareholders eligible for the shareholder benefit programs of Oriental Land

The shareholder benefit programs of Oriental Land apply only to shareholders who purchased shares of Oriental Land in their own name through a securities company that participates in the Japan Securities Depository Center.
