Analyst Report Released by Shared Research Inc.

Kringle Pharma, Inc. today announced the update and release of an analyst report "Full Report for the Nine Months Ended June 30,2026" from Shared Research Inc.

The analyst reports prepared by Shared Research Inc. are intended to make in-depth understanding of companies, to increase the efficiency of investors' corporate research, and to enable constructive dialogue between companies and shareholders. In addition, this report provides objective information analyzed from a third-party perspective. It is a free report for informational purposes only and does not provide investment opinions or advice.

We believe that the contents of this analyst report, which covers our business structure and growth strategies, will help investors further deepen their understanding of our company and use this information as a reference for making investment decisions.

- Report release date: September 8, 2026
