Kuraray Co., Ltd.

Announcement of Completion of Divestiture of the Former DuPont European PVB Film Business

Kuraray Co., Ltd. (“Kuraray”) announced in its October 17, 2014 news release, “Divestiture of the Former DuPont European PVB Film Business”, that it entered into an agreement to sell the European PVB film business formerly owned by European subsidiaries of E. I. du Pont de Nemours and Company, including the production facility in Uentrop and the R&D center in Mechelen, to GVC S.A..

Pursuant to this agreement, effective January 31, 2015 Kuraray completed the sale of such European PVB film business as scheduled.

The impact of this transaction on consolidated results was announced in its December 24, 2014 news release, “Notice Concerning Revisions to Performance Forecasts for Fiscal 2014”.
