Dividend resource	-	-	-

2. Reasons for no dividend

The Company aims to continue steady profit distribution and strive to enhance internal reserves necessary for capital expenditure or research and development for the expansion of profits in the future by strengthening its financial structure. Its policy is to distribute dividends considering business result, financial conditions, etc. in a comprehensive manner.

As for the interim dividends of the first half of the fiscal year 2013, however, there will be no distribution of dividends taking the financial results and conditions into account.

The forecast of the year-end dividends has yet to be determined. The Company will disclose it immediately once decision was made after comprehensive consideration of business results and financial conditions.

Your understanding and continuous support for the Company would be appreciated.
