Announcement of Organization Change and Personnel Reassignment

We are informed that Organization Change and Personnel Reassignment are settled by the Board of Directors today.

1. Reason of the change

We aim to achieve sustainable corporate growth by boosting the current collaborative projects, making a new alliance with both domestic and foreign pharmaceutical companies, strengthening cooperative relationship with associated pharmaceutical companies, and promoting new business projects.
Therefore we carry out the following change in order to ensure speedy and appropriate decision making of our business strategy with pharmaceutical companies and to strengthen implementation ability of our business.

2. Organization change (as of July 1, 2015)

Business Development Department is newly established. Accordingly, there shall be six departments – Business Development, Discovery Research, Developmental Research, IP & Legal Affairs, Business Administration, and Internal Audit. iPS Project Unit which was established in Discovery Research Department as of November 1, 2014 will be moved in Business Development Department to strengthen this project furthermore.

3. Appointment of the Board (as of July 1, 2015)
