The following is an English version of the official Japanese announcement, which has been given to the JASDAQ and the media in Tokyo, Japan.

February 12, 2015

Company: SPARX Group Co., Ltd.
(JASDAQ Standard Code: 8739)

Investment Partnership Newly Launched to Invest in Renewable Energy Generation Business

Total amount of 3 billion yen invested by Sumitomo Mitsui Banking Corporation & other companies

We have the pleasure of announcing that the Company has launched an Investment Limited Partnership that will invest in the renewable energy generation business (hereinafter referred to as the "LPS"), and has accepted investments from Sumitomo Mitsui Banking Corporation and two other companies.

■ Summary of the LPS

Name	Mirai Green Energy Investment Limited Partnership
Partners	【General Partner】(Amount of investment: 100 million yen) SPARX Group Co., Ltd. 【Limited Partners】The following three companies (Total amount of investment : 3 billion yen at inception(max 5 billion yen)) Sumitomo Mitsui Banking Corporation NEC Capital Solutions Limited Maeda Corporation
Investment Policy	In an effort to accelerate the spread of renewable energy, we invest in the photovoltaic generation business. In addition, by investing in the renewable energy generation business, we aim to manage the invested funds stably and to sell them to other investors, etc., durnig the electricity selling period.
Fund Manager	SPARX Asset Management Co., Ltd. (a wholly-owned subsidiary of the Company)

■ To establish a long-term, stable system for the flow of funds in terms of the development of social infrastructure and to make contributions to the stable supply of electricity, the Company, as a fund management company and through the concerted efforts of the Group companies, has so far formed several investment partnerships, etc., that have invested in the renewable energy generation business. The total asset scale is now approximately 50 billion yen, and the Company has been managing the funds from both domestic and foreign investors.
This time, having placed high value on the past product development and fund management performances of the Company Group, Sumitomo Mitsui Banking Corporation, NEC Capital Solutions Limited and Maeda Corporation have decided to invest in the LPS that is managed by the Company's subsidiary, which we hope will enable us to access a wider range of investors and related companies and to make contributions to the further development of the renewable energy market.

■ This notice is intended to provide our investors with information that will assist them in understanding the business contents of the Company Group, and is not intended to solicit our investors to make investments.
