Notice Concerning the Inclusion of JLF in the FTSE EPRA/NAREIT Global Real Estate Index Series

Japan Logistics Fund, Inc. (hereinafter referred to as "JLF") announced today that it has received a notice concerning the inclusion of JLF in the FTSE EPRA/NAREIT Global Real Estate Index Series from FTSE on March 18, 2013.

The FTSE EPRA/NAREIT Global Real Estate Index Series is provided by FTSE collaborating with European Public Real Estate Association (EPRA) and the National Association of Real Estate Investment Trusts (NAREIT). The Index is designed to represent general trends of real estate equities in the world. Several of global real estate investors use the Index as a benchmark of their investments.

Through the inclusion in this Index, JLF expects extending its unitholders' base and improving trading volume. JLF also commits further growth as a front runner of the J-REIT specializing in logistics properties investment.
