Results of Implementation of Early Retirement Incentive Program

TATERU, Inc. (the "Company") hereby announces the results of early retirement incentive program which was announced on July 5, 2019 as follows.

1. Overview of implementation of the early retirement incentive program
   (1) Eligible employees: Full-time employees of the Company and its wholly-owned subsidiaries: TABICT, Inc., Robot Home Co., Ltd., and TATERU Funding Co., Ltd., as of August 1, 2019 (excluding some organizations and positions)
   (2) No. applicants solicited: Approximately 160 employees
   (3) Application period: From July 8, 2019 to July 31, 2019
   (4) Retirement date: October 31, 2019 (planned)
   (5) Incentives: The Company will pay special retirement allowances, and provide re-employment support by an external outplacement service company upon request.

2. Results of implementation
   Number of early retirees: 136 employees

3. Future outlook
   Due to the implementation of the program, extraordinary losses of approximately 281 million yen as expenses for payments, etc. of special retirement allowances for early retirees are expected to be recorded in the financial results for the nine months ending September 30, 2019.
