Notice Concerning Inclusion in the FTSE EPRA/NAREIT Global Real Estate Index Series

FTSE Group has announced that LaSalle LOGIPORT REIT ("**LLR**") will be included in the FTSE EPRA/NAREIT Global Real Estate Index Series (the "**Index**") from September 20, 2019.

The Index is an international real estate investment index developed by FTSE Group which provides financial data in cooperation with the European Public Real Estate Association (EPRA) and the National Association of Real Estate Investment Trusts (NAREIT). The Index is widely adopted by institutional investors globally as their benchmark for international real estate investments.

LLR has achieved the inclusion in the Index by seeking to increase its market capitalization through Active Management that contributes to improve unitholder's value.

Note: "Active Management" is in contrast to passive management. Passive management is about holding properties with stable occupancy rates for a long term, however, Active Management collectively refers to the strategy of LLR looking for opportunities to create added value from a portfolio level and asset level, and strengthening the profitability of the portfolio.
