2. Reason

Our basic policy concerning profit distribution is to flexibly pay dividends based on performance while maintaining steady profit distribution to shareholders, with a consolidated annual dividend payout ratio of 35% being the guideline.

In accordance with this policy and based on the operating result of the fiscal year, we have decided to pay a year-end dividend of 31 yen per share, 8 yen higher than the last forecast amount of 23 yen per share. The total amount of annual dividends for the fiscal year ended June 30, 2019 will be 47 yen per share, an increase of 13 yen per share from the previous fiscal year, including the interim dividend (16 yen per share).
