Vending Machines

DyDo DRINCO introduces vending machine collaboration with Resona Bank□ Machine's look complements an ATM at Uozaki Station

In a collaborative project with Resona Bank, Limited, one of Japan's largest banks, DyDo DRINCO installed and began operating a vending machine decorated with the Resona Group's communication character at Uozaki Station, which is served by the Kobe New Transit Rokko Liner, on Fri, January 20.

The project, an extremely unusual collaboration between a beverage manufacturer and a bank, is expected to offer a more convenient experience to customers using each companies' machine.

Based on the DyDo Group's corporate philosophy of "striving to achieve happiness and prosperity together with people and society as a whole", we will continue to contribute to the creation of a prosperous, energetic society going forward.
