(Note) The number of the treasury shares as of the record date is not determined, so the total dividends paid indicate the maximum amount.

Business combination with Applied Materials, Inc. is conditional upon the approval from the relevant authorities in Japan, the U.S., and other countries subject to competition laws, despite this merger having been announced. Although TEL announced on May 14 2014, that the effective date of business combination is set for September 24, 2014 in the press release “Notice regarding the Execution of the Share Exchange Agreement between Tokyo Electron Limited and TEL Japan GK regarding the Business Combination between Tokyo Electron Limited and Applied Materials, Inc.”, the effective date of business combination is still tentative and may be changed to a different date. Given these circumstances, TEL does not announce dividends forecast for the second quarter of the Fiscal Year Ending March 31, 2015 and after.
