The number of FPG Partnership Agreements with accounting firms breaks through 5,000

FPG provides superior financial products and services to many SMEs as well as high net worth individuals through our strong network of accounting firms throughout Japan. Strong relationships with accounting firms have been established through FPG Partnership Agreements.

We take this opportunity to announce that the number of FPG Partnership Agreements with accounting firms has reached more than 5,000.

FPG, together with our group companies, will continue striving to provide a one stop financial service business that satisfies customer needs utilizing our strong distribution network of accounting firms.
