Establishment of Subsidiary in China

Yokohama, April 28, 2017 - Lasertec Corporation today announced that the Board of Directors has passed a resolution for establishing a new company in the city of Shanghai, China, as a wholly-owned subsidiary of Lasertec Taiwan, Inc., which is a wholly-owned subsidiary of Lasertec Corporation. The new subsidiary in China will be a second-tier subsidiary of Lasertec Corporation.

1. Purpose of the establishment of the new company
   We plan to enhance our ability to provide technical support for our products in the Chinese market where we expect fast growth in the coming years. We establish a wholly-owned subsidiary of Lasertec Taiwan, Inc. (Chinese name, 雷泰光電股份有限公司), our Taiwanese subsidiary, because of its existing close relationships with Chinese customers.

2. Summary of the new company

(1)	Company name	雷傣光電科技（上海）有限公司 Lasertec China Co., Ltd.
(2)	Representative officer	Shu Uchiyama, Chairman of the Board of Directors
(3)	Location	City of Shanghai, China
(4)	Date of establishment	June 1, 2017 (planned)
(5)	Main business areas	Delivery, installation, maintenance, and support of Lasertec products
(6)	Fiscal year	From January 1 to December 31
(7)	Capital	US$999,000
(8)	Shareholders	100% owned by Lasertec Taiwan, Inc. (a wholly-owned subsidiary of Lasertec Corporation)

3. Impact on operating results
   We expect the impact on the operating results in the current and next fiscal years to be small.
