Dividend from Subsidiary

SoftBank Group Corp. (“SBG”) announces that, on February 23, 2017, its wholly-owned subsidiary SOFTBANK GROUP CAPITAL APAC PTE. LTD. resolved its dividend of surplus which is expected to cause the following impact to SBG’s non-consolidated* financial results.

1. Outline of dividend

(1) Total dividend amount: JPY 132,605 million
(2) Payable date: February 23, 2017

2. Impact on SBG’s financial results

On the dividends payable date, SBG expects to record JPY 132,605 million of dividends received as non-operating income on its non-consolidated financial statements for the fiscal year ending March 2017. This dividend will not impact SBG’s income before income tax on its consolidated financial statements, as dividends received from a subsidiary are eliminated as inter-company transactions.

*Note: SBG’s non-consolidated financial statements are prepared in accordance with JGAAP.
