DyDo DRINCO hosts soccer tournament for fourth-graders with Nabtesco Corporation

DyDo DRINCO joined Nabtesco Corporation in hosting the 2nd Nabtesco × DyDo U10 Starter League Soccer Tournament for fourth-graders in Mie Prefecture, where both companies operate facilities, on February 3, 4, 24, and 25. A total of about 2,000 children participated in the competition.
The companies began hosting the tournament last year with the goal of improving the level of competition throughout Mie Prefecture by providing new opportunities for more children to participate in tournament play, where they could enjoy the sport of soccer while learning about the principles of fair play and sportsmanship.
Going forward, we will strive to earn consumers' respect by forging new connections with residents of the communities where we operate.
