Announcement Regarding Revision of the Dividend Forecast for the Fiscal Year Ended March 2018

LIXIL Group Corporation (hereinafter "LGC") hereby announces that it has revised its dividend forecast for the fiscal year ended March 31, 2018, which was announced on May 8, 2017, to reflect the results of its business performance.

1. Reasons for the revision

According to LGC's shareholder returns policy that targets a dividend payout ratio of 30% or more on a consolidated basis, the dividend forecast for the year-end is revised as below, comprehensively considering financial soundness and financial results.

2. Revision of the dividend forecast

Forecast on dividend payments for the fiscal year ended March 31, 2018

	Dividend per share (Yen)		
	Interim dividend	Year-end dividend	Total
Previous Forecast (Announced on May 8, 2017)	—	30	60
Revised forecast	—	35	65
Results of Year ending March 31, 2018	30	—	—
Results of Year ended March 31, 2017	30	30	60

End
