Pursuant to this policy and based on the result of the fiscal year ended June 30, 2018, we have decided to pay a year-end dividend of 22 yen per share, 4 yen higher than the last forecast of 18 yen per share. The annual dividends for the fiscal year ended June 30, 2018 will amount to 34 yen per share, an increase of 6 yen per share from the previous fiscal year, including the interim dividend (12 yen per share).
