[Updated]Notice of Partial Revisions to Consolidated Financial Results for the Fiscal Year Ended December 31, 2018 (Japan GAAP)

Information Services International-Dentsu, Ltd. (ISID) hereby notifies partial revisions to Consolidated Financial Results for the Fiscal Year Ended December 31, 2018 (Japan GAAP) released on February 8, 2019.

ISID has also made revisions to the presentation material of business results briefing for FY2018(ended December 31, 2018) accordingly, and have released the revised version today. Additionally, we will submit a report on revisions to our annual securities report for the same period to the Kanto Local Finance Bureau today.

1. Reason for revisions

There were errors on page 20, under “2. Orders” of “Status of Production, Orders and Sales” and we would like to make revisions.

2. Details of revisions

The revised parts are underlined. In addition, the “Engineering Solutions” segment in the table has been renamed to “Manufacturing Solutions” since January 2019.

(Before revisions)
2. Orders
The status of orders through the fiscal year ended December 31, 2018 (from January 1, 2018 to December 31, 2018) by business segment is as follows:

(Millions of yen)

Business segment	Orders received	YoY	Order backlog	YoY
Financial Solutions	30,210	140.7%	12,182	233.6%
Business Solutions	17,216	103.6%	6,401	106.8%
Engineering Solutions	31,999	119.1%	11,183	132.6%
Communication IT	22,979	109.1%	5,743	128.1%
Total	102,407	119.1%	35,511	147.2%

Notes: 1. From FY2018, figures have been changed to the calculation method for all service items.
2. Figures do not include consumption tax or other additions.

(After revisions)

2. Orders

The status of orders through the fiscal year ended December 31, 2018 (from January 1, 2018 to December 31, 2018) by business segment is as follows:

(Millions of yen)

Business segment	Orders received	YoY	Order backlog	YoY
Financial Solutions	29,590	137.8%	11,561	221.7%
Business Solutions	16,412	98.8%	5,597	93.4%
