[Updated]Notice of Partial Revisions to Presentation Material of Business Results Briefing for FY2018(ended December 31, 2018)

Information Services International-Dentsu, Ltd. (ISID) hereby notifies partial revisions to Presentation Material of Business Results Briefing for FY2018(ended December 31, 2018) released on February 8, 2019.

ISID has also made revisions to the consolidated financial results for the fiscal year ended december 31, 2018 (Japan GAAP) accordingly, and have released the revised version today. Additionally, we will submit a report on revisions to our annual securities report for the same period to the Kanto Local Finance Bureau today.

1. Reason for revisions

There were errors on page 10, under "7. Orders received and Order backlog" and we would like to make revisions.

2. Details of revisions

The revised parts are underlined. In addition, the "Engineering Solutions" segment in the table has been renamed to "Manufacturing Solutions" since January 2019.

(Before revisions)

7. Orders received and Order backlog

- **Both orders received and order backlog increased greatly in the Financial Solutions segment in the second quarter, thanks in part to large project orders from government-affiliated financial institutions (¥6.5 billion).**
