[Monthly comment]
In July, net sales totaled 104.6% for existing stores compared with the previous year and 108.3% for all stores.
Following the previous month, sales surpassed the figures for the previous year for both existing stores and all stores.
By category, sales of home appliances, furniture, audio-visual equipment, hobby-related items, etc. continued to perform favorably with demand from teleworking, nesting, and such. Sales of brand items turned favorable and sales of apparel showed further recovery from the previous month.
