## Notice Concerning Assessment Results of CDP Climate Change Program

The Company hereby announces that we participated in CDP Climate Change Program and achieved an “B” score of the Management level.

1. About CDP
CDP is an international non-profit organization that drives companies and governments to reduce their greenhouse gas emissions, safeguard water resources and protect forests. As a climate research provider and working with institutional investors, CDP leverages investor and buyer power to motivate companies to disclose and manage their environmental impacts. Over XXXX companies disclosed environmental data through CDP in 2024.

For more details of CDP, please refer to the following website.
https://www.cdp.net/ja

2. CDP assessment results
Companies are assessed across four consecutive levels which are broken down into eight-tier score bands.
The levels are: Leadership level (A and A-), Management level (B and B-), Awareness level (C and C-) and Disclosure level (D and D-).
The Company achieved an“B” score.

3. T&G’s future efforts
T&G will continue to make environmental consideration and sustainability efforts based on the Sustainability Policy.
