Notice Concerning Change in Effective Date of Corporate Split-Off Involving a Merger by Absorption

As stated in *the Notice Concerning the Reorganization of PRONEXUS's Database Business through an Acquisition of Remaining Shares of I-N Information Systems and a Corporate Split-Off Involving a Merger by Absorption*, dated January 29, 2021, the Company originally planned to transfer corporate information database business to a consolidated subsidiary of the Company: I.N. Information Systems, Ltd. (" Successor Company"), effective on April 1, 2021. However, the Board of Directors, at a meeting also held today, passed a resolution to change the effective date of the corporate split-off, as described below.

1. Details of the change of date

The effective date of the corporate split-off, after consultation between the Company and the Successor Company, will be changed from April 1, 2021 to May 1, 2021.

2. Reason for the change

The administrative procedures for the corporate split-off will take more time than expected.

3. Schedule

Date of the decision to approve change in effective date by the Board of Directors	March 12, 2021
Date of the conclusion of agreement on change of effective date	March 15, 2021
Effective date after the change	May 1, 2021 (planned)

4. Projected impact on financial results

The change in the effective date of this corporate split-off is expected to have no significant impact on the Company's consolidated financial results since the Successor Company is a consolidated subsidiary.
