Notice Regarding Establishment of Shareholder Benefit Program

Atrae, Inc. (the "Company") hereby announces that, as of May 14, 2026, its Board of Directors resolved to establish a shareholder benefit program, as described below.

1. Purpose of establishing the shareholder benefit program

The Company has decided to establish a shareholder benefit program to express its gratitude to shareholders for their continuous support, increase the attractiveness of investing in the Company's shares, and encourage more shareholders to hold the Company's shares over the medium to long term.

Under this program, the Company will utilize the "Digital Yutaiclub" provided by WILLs Inc. to award shareholder benefit points according to the number of shares held. On a dedicated shareholder website, shareholders can exchange their awarded points for electronic money (Amazon Gift Cards exchangeable at a rate of 1 point = 1 yen equivalent), products, services, and other items. Please check the following URL for the available replacement products.

This program will commence for shareholders recorded or registered in the Company's shareholder register as of the end of October 2026. In the first year of the program's introduction, there will be no restrictions on the continuous holding period, and shareholder benefit points will be awarded to all shareholders holding 5 units (500 shares) or more.

2. Details of the shareholder benefit program

Based on the shareholder register as of the end of October each year, shareholder benefit points will be awarded according to the number of shares held, as follows.

[Shareholder Benefit Points Table] (1 point ≒ 1 yen) (*)

Number of shares held	Number of shareholder benefit points	Timing of award
500 to 599 shares	3,000 points	Every December (Scheduled)
600 to 699 shares	5,000 points	
700 to 999 shares	8,000 points	
1,000 to 1,499 shares	12,000 points	
1,500 to 1,999 shares	25,000 points	
2,000 shares or more	30,000 points	

(*) When exchanging points for electronic money (Amazon Gift Cards), points can be exchanged at a rate of 1 point = 1 yen equivalent.

[Conditions for award]

- First year (2026): As this is the first year of the program's introduction, there is no restriction on the continuous holding period for the initial award. Points will be awarded on the condition that the shareholder is recorded or registered in the shareholder register as of the end of October 2026 as holding 5 units (500 shares) or more. The number of points to be awarded will be determined based on the number of shares held as of the end of October 2026, in accordance with the [Shareholder Benefit Points Table] above.
- From 2027 onwards (Conditions for continuous holding): The number of points will be awarded if the shareholder is recorded or registered in the shareholder register under the same shareholder number for at least three consecutive record dates: the end of October of the previous year (the base date), the end of April of the current year, and the end of October of the current year when the number of points are finalized, and has continuously held 500 shares or more. Please note that shareholder benefit points will not be awarded if the shareholder number changes by the record date at the end of October of the current year due to the sale of all shares, use of stock lending services of securities companies, transferring shares to a third party, inheritance, etc. The number of points awarded to shareholders who meet the continuous holding conditions will be determined based on the number of shares held as of the end of October of the current year when the number of points are finalized, in accordance with the [Shareholder Benefit Points Table] above.
- Please note that shareholder benefit points cannot be carried over to the following year.

(4)	500 shares	500 shares	500 shares (The shareholder number changes.)	Not met	0 points	No points awarded if the shareholder number changes.

3. How to use the shareholder benefit program

(1) Award of shareholder benefit points

A notice providing details, such as how to register on the dedicated website, will be sent to eligible shareholders every December (scheduled).

(2) Exchange of points

On the dedicated shareholder website, awarded points can be exchanged for electronic money (Amazon Gift Cards exchangeable at a rate of 1 point = 1 yen equivalent), products, services, and other items. Points can also be exchanged for “WILLsCoin,” a universal shareholder benefit coin that can be combined with shareholder benefit points from other companies that have introduced the Premium Yutaiclub.

(3) Eligible shareholders

Shareholders who hold 5 units (500 shares) or more of the Company’s shares and are recorded or registered in the shareholder register as of the end of October each year are eligible. As stated above, from 2027 and beyond, continuous holding for one year or more will be required.

(Note) Record date for shareholder benefits

Although the Company’s fiscal year ends in September, the record date for voting rights at the General Meeting of Shareholders and the record date for dividends have been changed from the end of September to the end of October in order to appropriately set the timing of the General Meeting of Shareholders and thereby promote constructive dialogue with shareholders. Going forward, the Company plans to hold the General Meeting of Shareholders in January of each year, with a policy of submitting the Annual Securities Report at least three weeks prior to the General Meeting of

Shareholders.

For the shareholder benefit program as well, with the aim of ensuring consistency in the management of the shareholder register, among other purposes, shareholders recorded or registered in the shareholder register as of the end of October each year will be eligible.

Furthermore, for details regarding the background and purpose of changing the record dates for voting rights at the General Meeting of Shareholders and for dividends, please refer to the “Supplemental Explanation Material regarding the "Notice of Partial Amendment to Articles of Incorporation" publicly announced on November 13, 2025” dated November 17, 2025.

4. Commencement timing

The program will commence for shareholders recorded or registered in the shareholder register as of the end of October 2026.
