Notice of Preparation of the Integrated Report 2025 (English Edition)

We have published an English edition of our integrated report in order to provide a wider range of stakeholders with a better understanding of our company.

The Integrated Report 2025 (English Edition) published at this time is a complete English translation of the Integrated Report 2025. It clearly presents our business strategy and ESG information, including progress in the first year of the "Medium-Term Management Plan (FY2025/8-FY2029/8)" announced in November 2024, our 70th-anniversary initiatives, and the review of materiality.

Since we celebrated our 70th anniversary in 2025, we have adopted "Big Sunny Smile - Bringing warmth to our communities with our smiles" as our new brand message.

With the purpose of "to be a company that supports everyday living by providing consumer electronics with a view toward the creation of a bright and happy future full of smiles," and as an electronics product retailer with stores situated close to where our customers live, we will continue to cherish a big smile that radiates warmth like the sun and strive for sustained growth by contributing to the local community, the environment, and society.
