Japan Lifeline Announces an Update on Sponsored Research Report

TOKYO, JAPAN – June 9, 2026 – Japan Lifeline Co., Ltd. (“the Company”) is pleased to announce that Nippon Investment Bespoke Research UK Ltd (www.nippon-ibr.com) (“Nippon IBR”), an independent research firm, has issued a sponsored report on the Company today.

The Company requested Nippon IBR to write a sponsored report as part of its investor relations related activities to promote communications with investors. This report contains a concise summary of the Company’s recent business performance and business strategies to help investors conduct their initial research. The report is mainly written in English, and the Japanese version is a translation.
