1. Overview

Komori Corporation Japan is extremely pleased to announce that Crane Currency, one of the fastest growing banknote printers in the world, have chosen Komori to supply them with their initial machinery requirements for their recently announced new Banknote Printing Plant and Customer Experience Center in Malta. Komori welcomes the opportunity to play an integral role in the continued international growth of such an esteemed organization as Crane Currency.

The notification of award to Komori followed a lengthy and competitive negotiation. The Komori equipment selected by Crane Currency after a thorough evaluation process confirmed all machinery capabilities met the high standards of performance and quality required for Crane's customers worldwide.

Everyone at Komori is looking forward to working with Crane Currency in establishing its flagship facility in Malta whilst practicing the principle of 'Kando' - exceeding customer's expectations, which drives the company to adhere to its origins and produce products of superior quality and reliability.

Komori Corporation is building equipment and an organization to be even more responsive to the needs of the banknote industry working together with customers and suppliers to create partnerships to enable them to offer more flexible solutions to match ever changing requirements.

2. Impact on Business Performance

Komori Corporation's financial results for the current fiscal year ending March 31, 2017 are unaffected as the revenue from this order will be recorded in the subsequent fiscal year.

3. About Crane Currency

Crane Currency is a fully integrated supplier of secure, durable and well-designed banknotes for central banks all over the world. A pioneer in advanced micro-optics technology, Crane Currency offers an endless series of engaging visual effects on a banknote to increase the level of security and public trust. Customers can benefit from Crane Currency's combined expertise in design, paper and printing – and a culture of knowledge sharing and long-term partnerships. With its heritage in the USA and Sweden for over 200 years, Crane Currency is today a global company and a trusted partner of more than 50 central banks.
