The business integration described in this press release involves securities of a foreign company. The business integration is subject to disclosure requirements of a foreign country that are different from those of the United States. Financial information included in this document, if any, was excerpted from financial statements prepared in accordance with foreign accounting standards that may not be comparable to the financial statements of United States companies.

It may be difficult for you to enforce your rights and any claim you may have arising under the U.S. federal securities laws, since the issuer is located in a foreign country and all of its officers and directors are residents of a foreign country. You may not be able to sue a foreign company or its officers or directors in a foreign court for violations of the U.S. securities laws. It may be difficult to compel a foreign company and its affiliates to subject themselves to a U.S. court's judgment.

You should be aware that the issuer may purchase securities otherwise than under the business integration, such as in open market or privately negotiated purchases.

This document has been translated from the Japanese-language original for reference purposes only. While this English translation is believed to be generally accurate, it is subject to, and qualified by, in its entirety, the Japanese-language original. Such Japanese-language original shall be the controlling document for all purposes.

Notice concerning Schedule for Holding Extraordinary General Meeting of Shareholders regarding Business Integration

As we announced in the press release released on February 26, 2016, titled "Memorandum of Understanding regarding Business Integration," Fukuoka Financial Group, Inc. (President: Takashige Shibato) and The Eighteenth Bank, Limited (Representative Executive Officer & President: Takujiro Mori) executed a memorandum of understanding under which we would promote consultation and consideration toward the realization of a business integration (hereinafter referred to as the "Business Integration").

While we announced in the press release released on August 30, 2016, titled "Notice concerning Schedule for Execution of Definitive Agreement regarding Business Integration," that since the relevant review of the business combination by Japan Fair Trade Commission had not been completed, we would postpone the execution of the definitive agreement regarding the Business Integration, which had been initially scheduled in August 2016, as the relevant review is currently ongoing, we postpone holding the Extraordinary General Meeting of Shareholders, which was initially scheduled in December 2016. We will immediately announce the timing for holding the Extraordinary General Meeting of Shareholders once it is determined.

For the avoidance of doubt, the scheduled effective date of the share exchange, for which the consultation and consideration have been promoted as the structure of the Business Integration, will not be changed from April 1, 2017.
