Collaboration with ly.com gives an even wider choice of booking sites and prices

The Travelko overseas air ticket comparison service enables you to search and compare overseas airline tickets across multiple travel agencies and airlines at once. Tongcheng Network Technology Co., Ltd.'s travel booking site ly.com has already been posting products on the Travelko domestic airline ticket comparison service and other locations, but on October 31, 2024, the company started a new collaboration with the Travelko overseas airline ticket comparison service. This makes it possible to search and compare overseas airline tickets from the airlines handled by ly.com within Travelko, further expanding the selection of booking sites and prices. Through this partnership with ly.com, the Travelko overseas airline ticket comparison service has become even more convenient, so you can enjoy traveling at bargain prices.

Travelko will continually strive to take the customer's point of view of every detail in order to meet user needs promptly, and will make every effort to provide even more satisfactory services.
