Proposals and References

Proposal 1: Dividends of Surplus

The return of profit to our Shareholders is one of the top priorities for the management of the Company. Our basic policy for the allocation of profit is to endeavor to improve our operational results in order to achieve the continual and stable payment of dividends, with a target payout ratio of 40%.

Based on this policy, we propose the payment of ¥25.5 per share as the year-end dividend for the 19th fiscal year as described below, in comprehensive consideration of the operational results for the fiscal year under review, the stable distribution of dividends, and other factors.

This, together with ¥22.5 per share of the interim dividend, will result in a total annual dividend of ¥48.0 per share for the fiscal year under review, an increase of ¥8.0 per share compared with the previous year.

[Matters Relating to the Year-end Dividend]

1. Type of dividend property:
   Cash
2. Matters relating to the allocation of the dividend property and the aggregate amount:
   ¥25.5 per share of common stock of the Company
   Aggregate amount of the dividend: ¥1,140,817,419
3. Effective date of the dividend from surplus:
   June 24, 2016

Proposal 2: Election of seven (7) Directors

The terms of office of all current six (6) Directors will expire at the conclusion of this Annual General Meeting of Shareholders. In addition, one (1) Director resigned from office on March 31, 2016. Accordingly, the election of seven (7) Directors is proposed.

The structure of the Board of Directors, the policy and proceedings for nominating candidates for Directors, and the candidates for Directors are as follows:

(Structure of the Board of Directors)

As for the structure of the Board of Directors, we will ensure that a certain number of the Directors and Corporate Auditors (excluding Outside Directors and Outside Corporate Auditors) are appointed as appropriate to handle sales, control, administration and management planning functions, and thereupon will nominate candidates for Outside Directors and Outside Corporate Auditors from among persons who are possessed of versatile professional knowledge and backgrounds and are familiar with management, legal affairs, accounting and finance, in order to diversify the knowledge, experience and capabilities of the Board members. In order to agilely establish an optimum management system of Directors, the Articles of Incorporation of the Company stipulate that the number of Directors shall be 10 or less and their terms of office shall be one (1) year.

(Policy and Proceedings for Nominating Candidates for Directors)

For the nomination of candidates for Directors, following a review by the Nomination and Compensation Committee, the President proposes a roster to the Board of Directors in accordance with the nomination criteria set by the Board (see below), and the Board of Directors thereupon makes a decision on the proposed roster.

[Nomination Criteria for Directors (Excluding Outside Directors)]

Persons of integrity who have sufficient practical experience in the information and communications technology industry and/or high level of capabilities and insight for management.

Note: The nomination criteria for Outside Directors / Outside Corporate Auditors and the criteria for judging their independence are disclosed on page 9-10.
