The Opening of “KeePer LABO Kurokawa”

KeePer Technical Laboratory Co., Ltd. (Head Office: Obu City, Aichi / President and Co-COO: Toshiyuki Kaku) will open a new KeePer LABO Kurokawa Store in Kita-ku, Nagoya City, Aichi on Wednesday, October 9, 2024.

Store Name	**KeePer LABO Kurokawa**	Opening Date	**October 9, 2024**
Location	4-32-1 Kurokawa Hondori, Kita-ku, Nagoya City, Aich	Site area	989.82㎡
		Store area	449.30㎡
Hours of operation	9：00-20：00	Construction site	Former site of a paid parking lot
Concept	The population of Kita-ku in Nagoya City is about 160,000, which is a sufficient market size. Additionally, it can form a dominant position with the existing stores: Dekimachi Store in Higashi-ku, Osu Store in Naka-ku, and Shikatsu Store in Kita-Nagoya City, allowing for a quick and strong start-up. This will be the 27th store in Aichi Prefecture, the 8th store in Nagoya City, and the 139th KeePer LABO store overall. The store will be newly constructed, featuring 8 coating booths and space for washing 4 vehicles. The car wash area is designed with a high tent roof, which can accommodate work on camper vans. Moreover, the layout minimizes staff vehicle movement from washing to final touches, ensuring safety and reducing labor. There is also a guest room with counter seats where customers can watch the work being done up close.
