Notice Regarding the Recording of Gain on Sale of Investment Securities

Credit Saison Co., Ltd. (hereinafter "the Company") hereby announces that it has recorded the following gain on sale of investment securities (extraordinary profits) as a result of a sales of some of the investment securities held by the Company.

1. Reason for sale of investment securities
   To reduce cross-shareholdings as part of the "Action on Cost of Capital and Share Price-Conscious Management" that was announced on May 15, 2024.

2. Period for the sale of investment securities
   August 29, 2024 to September 26, 2024

3. Details of the sale of investment securities
   (1) Stocks sold: Two listed securities held by the Company
   (2) Gain on sale of investment securities: 16,820 million yen

4. Future outlook
   As a result of this sale, the Company will record a gain on sale of investment securities of 16,820 million yen as extraordinary income in its non-consolidated financial statements for the second quarter of the fiscal year ending March 2025. In the consolidated financial statements, this will be accounted for as accumulated other comprehensive income, and as such there will be no impact on profit attributable to owners of the parent for the current period. Additionally, the Company is also currently making a detailed review of the consolidated and non-consolidated performance forecasts for the fiscal year ending March 2025, including by taking other factors into consideration. If it becomes necessary in the future for the Company to revise its performance forecasts, then the Company will promptly announce such revisions.
