To whom it may concern,

Company name: Keihanshin Building Co., Ltd.
Contact: Corporate Planning Dept.
(TEL: +81-6-6202-7331)

Selected as a constituent of the FTSE Blossom Japan Sector Relative Index

Keihanshin Building Co., Ltd. (the "Company") announces it has been included in the FTSE Blossom Japan Sector Relative Index. The FTSE Blossom Japan Sector Relative Index is designed as a sector neutral benchmark that reflects the performance of companies demonstrating strong Environmental, Social and Governance (ESG) practices in Japan. The index selects companies with higher ESG Ratings within the top 50% of each sector and supports climate transition to a low carbon economy by evaluating companies' climate governance and climate change efforts via the Transition Pathway Initiative's Management Quality Score*.

The Company aims to contribute to society through various corporate activities under the corporate philosophy "To provide valuable commercial space to customers so as to contribute to the community through the advancement of customers' and our businesses."

For details on the Company's sustainability policies and initiatives, please refer to the Company's website.

(Keihanshin Building Co., Ltd. website,

"Sustainability" https://www.keihanshin.co.jp/english/sustainability/)

*TPI (Transition Pathway Initiative) Management Quality Score: An assessment of the quality of a company's management of its greenhouse gas emissions and the risks and opportunities associated with the low-carbon transition
