Notice Concerning Upgrade of Credit Rating from A to A+

Kenedix Retail REIT Corporation ("KRR") announced today that it received an announcement from Japan Credit Rating Agency, Ltd. ("JCR") that the credit rating of KRR was upgraded as follows.

Details of Credit Rating

Credit Rating Agency	Type of Credit Rating	Before the Change	After the Change
JCR	Long-Term Issuer Rating (Outlook)	A (Positive)	A+ (Stable)
	Rating on Bonds	A	A+

For details concerning the reasons for the change of credit rating outlook, please refer to JCR's website.

KRR seeks to achieve steady growth of its portfolio and increase the value of its assets to provide stable investment returns over the long term through investments primarily in shopping centers for daily needs. KRR also seeks further improvement of its credit rating by building a solid financial base and enhancing earnings stability through portfolio diversification.
