Notice of Differences from Non-Consolidated Business Results for the previous fiscal year

ROHM Co., Ltd. announces differences between non-consolidated business results for the previous fiscal year ended March 31, 2016 and for the present fiscal year ended March 31, 2017 since there were certain changes, although the company does not announce its forecast of non-consolidated business results.

1. Differences between non-consolidated business results for the previous fiscal year ended March 31, 2016 and for the present fiscal year ended March 31, 2017.

	Net sales	Operating income	Ordinary income	Profit	Net income per share
Previous fiscal year (A) (the fiscal year ended March 31, 2016)	(Millions of yen) 307,047	(Millions of yen) 8,035	(Millions of yen) 12,094	(Millions of yen) 6,450	Yen 60.75
Present fiscal year (B) (the fiscal year ended March 31, 2017)	303,279	6,413	21,060	20,187	190.85
Change (B-A)	-3,768	-1,622	8,966	13,737	-
Percent change (%)	-1.2	-20.2	74.1	213.0	-

2. Reasons for the differences

During the fiscal year ended March 31, 2017, sales have fallen below the previous fiscal year due to the influence of a strong yen, etc. Furthermore, operating income has decreased from the previous fiscal year.

On the other hand, ordinary income has increased from the previous fiscal year since dividend income by affiliated company etc. has increased to 11.3 billion yen compared with the previous fiscal year. Furthermore, profit has increased significantly due to the decrease of tax burden by completion of liquidation of subsidiary company.
