Astris Advisory Japan K.K. Releases Research Report on Loadstar Capital

Loadstar Capital K.K. (the "Company") hereby announces that a sponsored report on the Company has been distributed by Astris Advisory Japan K.K. (the "Astris"), which provides corporate research and information to institutional investors and other entities.

This report provides an objective analysis and evaluation of our business model, peer group analysis, recent results, and medium-term management plan from a third-party perspective. Additionally, this report is simultaneously distributed to thousands of overseas investors registered in Astris' database and more than 10 financial information vendors.

We hope this report will help investors gain a deeper understanding of the Company.

Moving forward, we remain committed to enhancing our corporate value through transparent information disclosure and proactive investor relations activities.
