GA technologies Appoints Daishiro Michimori, Former Director-General of Tokyo Regional Taxation Bureau, as Advisor

GA technologies Co., Ltd. (headquarters: Minato Ward, Tokyo; CEO: Ryo Higuchi; stock code: 3491; hereinafter referred to as "the Company") is pleased to announce that the appointment of Daishiro Michimori, a former Director-General of the Tokyo Regional Taxation Bureau, as an advisor on February 3, 2025.

Our company upholds the corporate philosophy (OUR AMBITION) of “Building a world-leading company that inspires people with the power of technology and innovation.” and advancing technology transformation across various industries including real estate.

Two years ago, the company entered the M&A brokerage domain. In FY2024, the Company entered the US real estate market, making US-based RW OpCo, LLC a subsidiary. Moreover, the addition of Mercury Inc, as part of the group signals the Company’s entry into the data business. Leveraging real estate data, the Company aims to unlock new value in individual businesses and continue our global expansion.

Daishiro Michimori has 36 years of experience of serving as a national public officer r, primarily serving in roles such as Director-General of the Tokyo Regional Taxation Bureau from August 2012 to June 2013 and working at the Ministry of Finance.. During his tenure, he was also involved in the Cabinet Secretariat, where he played a key role in formulating economic and policy strategies and coordinating between government ministries on critical policy issues of the time. After retiring from public service, he has continued to build his expertise through legal practice and other professional activities.

With advice on management enhanced by Michimori’s expertise, the Company will continue to accelerate strengthening of governance in the financial business and new value creation in the real estate industry.
