UBE Corporation hereby announces that we have received dividends from our equity-method affiliate for the non-consolidated fiscal year ended March 31, 2025. This notice is issued in accordance with the requirements for submitting an extraordinary report under Article 24-5, Paragraph 4 of the Financial Instruments and Exchange Act and Article 19, Paragraph 2, Item 12 of the Cabinet Office Ordinance on Disclosure of Corporate Affairs.

1. Detail

On March 31, 2025, The Company received a dividend of 10,621 million yen from Mitsubishi UBE Cement Corporation, an equity-method affiliate, sourced from retained earnings.

2. Impact on Consolidated Financial Results for the Fiscal Year Ended March 31, 2025

We recorded the receipt of this dividend of 10,621 million yen as non-operating income in our non-consolidated financial statements for the fiscal year ended March 31, 2025. However, since it is a dividend from an equity-method affiliate, it will not affect our consolidated financial results for the fiscal year ended March 31, 2025.
