Take and Give Needs Co., Ltd.

TRUNK(HOTEL) YOYOGI PARK Awarded One Michelin Key
- For the Second Consecutive Year -

Take and Give Needs Co., Ltd. (Head Office: Shinagawa-ku, Tokyo; President & CEO: Kenji Iwase), a leading wedding company, is pleased to announce that TRUNK(HOTEL) YOYOGI PARK, operated by its group company TRUNK Co., Ltd. (Head Office: Shibuya-ku, Tokyo; President & CEO: Yoshitaka Nojiri), has been awarded one Michelin Key in the Michelin Guide hotel selection in Japan, recognizing excellence in hospitality.

In the 2025 Michelin Key selection for Japan, a total of 128 hotels were chosen. TRUNK(HOTEL) YOYOGI PARK was honored with one Michelin Key for the second year in a row, recognized as a property that offers “a very special stay.”

TRUNK(HOTEL) YOYOGI PARK offers a total of 25 guest rooms, along with an Italian restaurant named PIZZERIA e TRATTORIA L'OMBELICO. The hotel also features an exclusive rooftop infinity pool and lounge known as TRUNK(POOL CLUB), which provides guests with panoramic views of the lush greenery of Yoyogi Park and the Tokyo skyline. Since its opening in 2023, the hotel has been recognized for its distinctive concept, refined design, and exceptional guest experience. These qualities have earned it prestigious awards such as inclusion in AHEAD Asia 2024 / AHEAD Global Top 10, as well as selection for Condé Nast Traveler's Hot List 2024 and It List 2024 by Travel + Leisure.

Under the TRUNK brand philosophy of delivering unique experiences tailored to each location, TRUNK(HOTEL) YOYOGI PARK embraces the concept of "Urban Recharge"—a blend of relaxation and stimulation in the city that energizes guests for the day ahead.

About the Michelin Key

Similar to Michelin Stars for restaurants, Michelin Keys are given to hotels that deliver exceptional guest experiences. The selection process is based on five international criteria, which include excellence in architecture and design, service quality, overall personality and character, value for the price, and meaningful contributions to the local community.
In the 2025 edition of the Michelin Guide hotel selection in Japan, a total of 128 hotels were selected. Among them, seven hotels received three Michelin Keys, twenty hotels were awarded two Michelin Keys, and 101 hotels earned one Michelin Key.

Definition of One Michelin Key (from Michelin Guide)

"A true gem with personality. Service always goes the extra mile, and the hotel provides much more than others in its price range."
