NEWS RELEASE

IPS, Inc.
JANUARY 30, 2025

Philippine telecommunications subsidiary InfiniVAN and leading bank Maybank Philippines sign partnership agreement to improve digital financial services and security.

InfiniVAN, Inc. (“InfiniVAN”), a telecommunications subsidiary of IPS, Inc. in the Philippines, and Maybank Philippines, Inc. (“Maybank Philippines”), a major bank with approximately 60 branches in the Philippines, signed a partnership agreement on January 23, 2025, to promote efforts to enhance Maybank Philippines' financial services and security with InfiniVAN's cutting-edge Internet solutions.

InfiniVAN had completed Philippine Domestic Submarine Cable Network (PDSCN) in December 2023, and the backbone network centered on PDSCN will enable us to provide stable telecommunications infrastructure services of Japanese standards throughout the Philippines. We will expand our services to financial institutions that require high reliability and enhanced security, including branches in rural areas.

Maybank Philippines’ Mr. Bernie Talimban - Chief Information Officer (in the center), InfiniVAN’s Mr. Shigeki Nakahara – President (second from the right) and others at the signing ceremony.

The agreement highlights InfiniVAN's role in providing high-speed, reliable, and secure internet connectivity to support Maybank Philippines' digital banking infrastructure.

With the growing demand for digital financial services, Maybank Philippines aims to deliver an unparalleled banking experience, leveraging InfiniVAN's advanced network technology to ensure uninterrupted operations across its branches and digital platforms.

Key highlights of this partnership include:

Enhanced Connectivity:
InfiniVAN will provide fiber-powered internet to ensure fast and secure connections in Maybank Philippines' offices and branches nationwide.
Improved Customer Experience:
Seamless internet services will support Maybank Philippines' digital banking applications, ensuring smooth transactions for clients.
Scalability for Growth:
InfiniVAN's robust infrastructure will allow Maybank Philippines to scale its operations as it expands its presence in the Philippines.

With their fiber-optic network infrastructure, InfiniVAN delivers services that cater to the unique needs of enterprises, from financial institutions to retail and beyond. On the other hand, Maybank Philippines continues to elevate its standing as a trusted financial partner, providing top-notch banking solutions to individuals and businesses. Through this partnership, Maybank Philippines reaffirms its commitment to delivering reliable financial services with the support of innovative technologies.

Maybank Philippines' customers can look forward to:

Faster and more reliable digital banking experiences.
Uninterrupted access to online banking platforms and services.
Improved in-branch experiences with advanced connectivity solutions.

For InfiniVAN, this partnership further bonds its reputation as a trusted provider of enterprise-grade internet solutions, highlighting its role in empowering the Philippines' digital economy.

The InfiniVAN-Maybank Philippines partnership exemplifies how technology and financial services can work hand-in-hand to bring innovative solutions to customers. This collaboration not only strengthens Maybank Philippines' banking operations but also underscores InfiniVAN's commitment to connecting businesses with world-class internet services.
