Notice Regarding the Impact of the Earthquake with its Epicenter off the Coast of Northern Cebu Island, Philippines

IPS, Inc. (the “Company”) hereby announces that an earthquake with its epicenter off the coast of northern Cebu Island, Philippines, occurred on September 30, 2025. The Company expresses its deepest condolences to the families of those who lost their lives and extends sympathy to all affected by this disaster.
The Company and its Group report the current status as follows:

1. Damage Status

The Company and its Group have confirmed that none of their employees sustained injuries. Although some communication equipment was damaged, connectivity has been maintained via alternative routes, and no material impact has been observed.

2. Impact on Business Performance

The Company expects the earthquake to have minimal impact on its business performance. Should any developments arise that require disclosure, the Company will promptly announce them in accordance with applicable regulations.
