Notice of Publication of Video and Transcript – NAVER Alliance and Third-Party Allotment Briefing

We are pleased to announce the release of the video and transcript for the "Online Briefing Regarding the Capital and Business Alliance with NAVER Corporation and the Issuance of New Shares through Third-Party Allotment," which was held on November 10, 2025.
The briefing includes an explanation of the background, objectives, and details of the capital and business alliance, as well as an overview of the large-scale conference "DAN25" hosted by NAVER in Korea on November 6.
We encourage all shareholders and investors to take this opportunity to view the materials.
